STUDENT SPEAKERS CHOSEN FOR COMENCEMENT NIGHT

Elsie Wilhite has been chosen the valedictorian and Mary Hannaford the salutatorian for commencement night, May 22 at the Presbyterian church. These girls have not only secured excellent scholarship but have also offered much help in school activities.

Elsie has been president of the Student Body for the past year and has won her letter in basketball and assisted in the orchestra. She has spent three years in the Eagle Point High School and one in the Sams Valley High School.

Mary has been an active student here for four years both in athletics and regular school functions. She has been a successful editor for the English class paper and has succeeded in keeping up her school work and also working as a telephone operator during her spare time.

P.T.A. CARNIVAL TONIGHT

Don't forget, tonight is the night of the big P.T.A. Carnival given in the gym for every one, both young and old.

At the door a general admission of twenty-five cents will be charged. An interesting program is being arranged, and there will also be candy, fish pond and cap booths.

OPERETTA DATE CHANGED FROM MAY 2 TO MAY 9

The date of the operetta, "Wild Rose" has been changed from May 2 to May 9.

Several of the girls in the cast attended the Christian Endeavor State Convention held at Marshfield making it impossible for them to attend rehearsals this week.

The operetta will be given in the gym as formally announced at the same hour of 8:00 o'clock P. M.

Don't forget the date, May 9.

BASKET BALL TROPHY AWARDED TO GIRLS

In a recent meeting of the student body, it was decided that a cup should be awarded to our champion girls basketball team. The President chose a committee consisting of Donald, Kirch and Alice to decide what style and size would be best.

The cup is made of quadruple silver with a gold lining, plated on heavy metal which permits proper engraving. It has a dull finish, and also is lacquered to prevent tarnishing. The cup is twelve inches high with a base of sixteen and one fourth inches.

THANKS TO OUR MERCHANTS

We, the students of the English III class, wish to thank the merchants of Eagle Point for their splendid support of our school paper by running advertisements in this publication. It is due to their backing us in this manner that our paper has been a successful paying issue. While other schools have had to send to a printing company to publish their papers, we have, through the cooperation of our merchants, earned enough money to pay all expenses of our own printing and supplies.

We also wish to thank those who have subscribed to our paper. This act shows that the people of the community are interested in the work of our school. Who will not work harder and better, when they know that some one is interested in the outcome of their endeavors?

We are proud to state that our paper has been a paying venture which shows what a group of working students and ambitious teachers can produce. We are greatly indebted to the public and the tradesmen of this community for their help in making this paper a success.

WE THANK YOU

H.M.
